We live in an amazing neighborhood with many wonderful neighbors!

CONGRATULATIONS....

Bryce Gage graduating from Stratford high school class of 2023.

Matthew Riedel graduated from Vanderbilt. His playing a 5th year of golf at Vanderbilt and getting his Masters in Marketing, with possibly pursuing a pro golf career.

Charlotte Weaver graduated from Texas A&M with a degree in Psychology. She will be attending the University of North Texas to pursue a doctorate in Audiology this fall.

The ***Teacher Appreciation Lunch*** provided by our Yorkshire Women's Club for **Thornwood Elementary** was a huge success! For the sweet teachers and staff, it was the highlight of their week. They always look forward to it and it made them feel truly special. Year after year they remember and can't wait to see what we bring.

It could not have happened without the support from many of our very generous neighbors that make it all possible. A very special thanks to the following ladies for volunteering to make food, for generously donating money, for helping at the lunch and for always making this neighborhood so unique: Carolyn Williams, Kit Bartlett, Mary Ann Goicoechea, Sherri Boatright, Sarah Laird, Carrie Noel, Karen Jones,

Jo Greathouse, Lyn Wilkinson, Kit Bartlett, Carolyn Drone, Cindy Barranco, Mary Fee, Sherri Boatwright, Leigh Stubbs, Pat Noel, Casey Brand and Sarah Laird.

A note from the Principal at Thornwood Elementary:

Yorkshire Neighbors,

Thank you so much for the delicious lunch and yummy desserts. Such a wonderful treat for our faculty and staff. We really appreciate your constant support and generosity.

Thank you again for always thinking of Thornwood.

With much appreciation,

Sandra Houston & The Thornwood Faculty and Staff

Thank you to everyone who makes this neighborhood so great! You all are the BEST!!

Cathy and Leigh

Any BRIDGE players out there?

A group of Yorkshire women play bridge every Friday afternoon from 2:00 until 5:00 pm and then enjoy a glass of wine, Prosecco etc.

School is almost out...

Please slow down and be alert for children on bikes and scooters...and the many walkers in our beautiful neighborhood.

MONTH OF MAY....

May is the fifth month of the Gregorian calendar and marks the transition from spring to summer in the Northern Hemisphere and from autumn to winter in the Southern Hemisphere.

The ancient Greeks gave it her name, Maia, after the goddess Maia, who was revered for her association with growth and fertility.
